West Valley City Celebrates Safe Communities

West Valley City – As part of the annual National Celebrate Safe Communities Month, West Valley City will have information displays set up in the main lobby of City Hall, 3600 South Constitution Boulevard, throughout the month of October. Celebrate Safe Communities is a U.S. Department of Justice-supported initiative designed to help spotlight crime prevention efforts, enhance public awareness of vital prevention and safety messages, and recruit year-round support for ongoing prevention activities that help keep neighborhoods and families safe.

The National Celebrate Safe Communities event coincides with National Crime Prevention Month, National Fire Prevention Week, and National Domestic Violence Awareness Month. Displays at West Valley City Hall will highlight services and programs available to the public on each of these topics. During the week of October 11-14, a special Silent Witness display will remember the women, men, and children whose lives were taken due to domestic violence.

“We hope that all ages recognize that a safer community is no accident and that prevention is everyone’s business every day of the year,” stated Mayor Mike Winder. “It is hoped that residents of West Valley City will visit City Hall during October to learn more about these important topics and to remember those members of our community that we have lost due to Domestic Violence.”

West Valley City Hall is open Monday – Thursday, 8:00 a.m. – 6:00 p.m.
